OVERVIEW**WORLD ECONOMY**

The war in Ukraine has triggered a costly humanitarian crisis that demands a peaceful resolution. At the same time, economic damage from the conflict will contribute to a significant slowdown in global growth in 2022 and add to inflation.

Global growth is projected to slow from an estimated 6.1 percent in 2021 to 3.6 percent in 2022 and 2023. This is 0.8 and 0.2 percentage points lower for 2022 and 2023 than projected in January.

INDIA

This is the second time that the World Bank has revised its GDP growth forecast for India in the current fiscal 2022-23 (April 2022 to March 2023). In April, it had trimmed the forecast from 8.7 per cent to 8 per cent and now it is projected at 7.5 per cent.

According to the World Bank report, growth in India slowed in the first half of 2022 as activity was disrupted both by a surge in COVID-19 cases, accompanied by more-targeted mobility restrictions and by the war in Ukraine. The recovery is facing headwinds from rising inflation.

The unemployment rate has declined to levels seen prior to the pandemic, but the labour force participation rate remains below pre-pandemic levels and workers have shifted to lower-paying jobs.

INDEPENDENT AUDITORS' REPORT

**To the Members of
Sarvamangal Mercantile Company Limited**

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the standalone financial statements of **Sarvamangal Mercantile Company Limited** (“the Company”), which comprise the balance sheet as at 31st March 2022, and the statement of Profit and Loss, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, and profit, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Description of each key audit matter in accordance with SA 701:

The Key Audit Matter	How the matter was addressed in our Audit
<p>Revenue Recognition Revenue from the sale of goods (hereinafter referred to as “Revenue”) is recognized when the Company performs its obligation to its customers and the amount of revenue can be measured reliably and recovery of the consideration is probable. The timing of such recognition in case of sale of goods is when the control over the same is transferred to the customer, which is mainly upon delivery. The timing of revenue recognition is relevant to the reported performance of the Company. The management considers revenue as a key measure for evaluation of performance.</p>	<p>Principal Audit Procedures</p> <p>Our audit approach was a combination of test of internal controls and substantive procedures including:</p> <ul style="list-style-type: none"> • Assessing the appropriateness of the Company’s revenue recognition accounting policies in line with Ind AS 115 (“Revenue from Contracts with Customers”) and testing thereof. • Evaluating the integrity of the general information and technology control

<p>There is a risk of revenue being recorded before control is transferred.</p> <p>Refer to the Standalone Financial Statements - Significant Accounting Policies</p>	<p>environment and testing the operating effectiveness of key IT application controls.</p> <ul style="list-style-type: none"> • Evaluating the design and implementation of Company's controls in respect of revenue recognition. • Testing the effectiveness of such controls over revenue cut off at year-end. • Testing the supporting documentation for sales transactions recorded during the period closer to the year end and subsequent to the year end, including examination of credit notes issued after the year end to determine whether revenue was recognized in the correct period. • Performing analytical procedures on current year revenue based on monthly trends and where appropriate, conducting further enquiries and testing
<p>Measurement of Investment in accordance with Ind AS 109 "Financial Instruments"</p> <p>On initial recognition, investment is recognized at fair value in vases of investment which are recognized at fair value through FVOCI. In that case that transaction costs are attributable to the acquisition value of the investments.</p> <p>The Company's investment is subsequently classified into following categories based on the objective to manage the cash flows and options available in the standard:</p> <ul style="list-style-type: none"> • At amortized cost • At fair value through profit or loss (FVTPL) • At fair value through Other Comprehensive Income (FVTOCI) <p>The company has assessed following two objectives:</p> <ul style="list-style-type: none"> • Held to collect contractual cash flows. • Realizing cash flows through sale of investments. The Company makes decision based on assets fair value and manages the assets to realize those fair values. <p>Since valuation of investment at fair value involves critical assumptions, significant risk in valuation and complexity in assessment of objectives, the valuation of investments as per Ind AS 109 is determined to be a key audit matter in our audit of the standalone financial statements.</p> <p>Refer Note 30 to the standalone financial statements.</p>	<p>Principal Audit procedure:</p> <ul style="list-style-type: none"> • Obtaining an understanding of the companies' objectives for such investments and assessment thereof in terms of Ind AS 109. • Obtaining an understanding of the determination of the measurement of the investments and tested the reasonableness of the significant judgment applied by the management. • Evaluated the design of internal controls relating to measurement and also tested the operating effectiveness of the aforesaid controls. • Obtaining understanding of basis of valuation adopted in respect of fair value investment and ensured that valuation techniques used are appropriate in circumstances and for which sufficient data are available to measure fair value. • Assessed the appropriateness of the discloser in the standalone financial statements in accordance with the applicable financial reporting framework.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, (changes in equity) and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Information Other Than The Financial Statements And Auditors' Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the Standalone Financial Statements and our auditors' report thereon. Our opinion on the Standalone Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the Standalone Financial Statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Paragraph 40(b) of this SA explains that the shaded material below can be located in an Appendix to the auditor's report. Paragraph 40(c) explains that when law, regulation or applicable auditing standards expressly permit, reference can be made to a website of an appropriate authority that contains the description of the auditor's responsibilities, rather than including this material in the auditor's report, provided that the description on the website addresses, and is not inconsistent with, the description of the auditor's responsibilities below.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve

collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matter

With reference to Note no 4, Company some investment in quoted and unquoted equities are not in physical and dematerialized form and are subject to verification.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards

specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules,

- (e) On the basis of the written representations received from the directors as on 31st March, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2022 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - 1. The Company has disclosed the impact of pending litigations on its financial position in its financial statements.
 - 2. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - 3. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
 - 4. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- 5. The Company has not declared or paid any dividends during the year and accordingly reporting on the compliance with section 123 of the Companies Act, 2013 is not applicable for the year under consideration.

ANNEXURE B TO THE AUDITORS' REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Sarvamanagal Merchantile Company Limited ('the Company') as of 31st March 2022 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India (the "ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, safeguarding of its assets, prevention and detection of frauds and errors, accuracy and completeness of the accounting records, and timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts

and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and

- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the company has, in all material respects, an adequate internal financial control system over financial reporting and such internal financial controls over financial reporting were operating effectively as at march 31,2022, based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the guidance note on audit of internal financial control over financial reporting issued by the Institute of Chartered Accountant of India.

Notes to Financial Statements for the Year ended March 31, 2022**B. Measurement of fair values**

Valuation techniques and significant unobservable inputs

The Fair Value of the Financial Assets & Liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

C. Financial Risk Management**C.i. Risk management framework**

A wide range of risks may affect the Company's business and operational / financial performance. The risks that could have significant influence on the Company are market risk, credit risk and liquidity risk. The Company's Board of Directors reviews and sets out policies for managing these risks and monitors suitable actions taken by management to minimise potential adverse effects of such risks on the company's operational and financial performance.

C.ii. Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's trade and other receivables, cash and cash equivalents and other bank balances. To manage this, the Company periodically assesses financial reliability of customers, taking into account the financial condition, current economic trends and analysis of historical bad debts and ageing of accounts receivable. The maximum exposure to credit risk in case of all the financial instruments covered below is restricted to their respective carrying amount.

(a) Trade and other receivables from customers

Credit risk in respect of trade and other receivables is managed through credit approvals, establishing credit limits and monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business.

The Company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in the credit risk on an on-going basis through each reporting period. To assess whether there is a significant increase in credit risk the Company compares the risk of default occurring on assets as at the reporting date with the risk of default as at the date of initial recognition. It considers reasonable and supportive forwarding-looking information such as:

- i) Actual or expected significant adverse changes in business
- ii) Actual or expected significant changes in the operating results of the counterparty
- iii) Financial or economic conditions that are expected to cause a significant change to the counterparties ability to meet its obligation
- iv) Significant changes in the value of the collateral supporting the obligation or in the quality of third party guarantees or credit enhancements

Financial assets are written off when there is a no reasonable expectations of recovery, such as a debtor failing to engage in a repayment plan with the Company. When loans or receivables have been written off, the Company continues to engage in enforcement activity to attempt to recover the receivable due, When recoverable are made, these are recognised as income in the statement of profit and loss.

The Company measures the expected credit loss of trade receivables and loan from individual customers based on historical trend, industry practices and the business environment in which the

Notes to Financial Statements for the Year ended March 31, 2022

entity operates. Loss rates are based on actual credit loss experience and past trends. Based on the historical data, loss on collection of receivable is not material hence no additional provision considered.

Financial Assets are considered to be of good quality and there is no significant increase in credit risk.

(b) Cash and cash equivalents and Other Bank Balances

The Company held cash and cash equivalents and other bank balances of Rs. 1,611.80 thousands at 31st March, 2022 (31st March, 2021: Rs. 135.95 thousands). The cash and cash equivalents are held with bank with good credit ratings and financial institution counterparties with good market standing. Also, Company invests its short term surplus funds in bank fixed deposit, which carry no / low mark to market risks for short duration therefore does not expose the Company to credit risk.

C.iii. Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset.

Liquidity risk is managed by Company through effective fund management of the Company's short, medium and long-term funding and liquidity management requirements. The Company manages liquidity risk by maintaining adequate reserves, banking facilities and other borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.

The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted.

C.iv. Market risk

Market Risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: currency risk, interest rate risk and other price risk.

C.iv.a Currency risk

The Company is not exposed to any currency risk as there is no receivable or payable amount in currency other than domestic currency i.e. INR. Further, the company neither has FDI nor any other contractual obligations in foreign currency.

Notes to Financial Statements for the Year ended March 31, 2022**C.iv.b Interest rate risk**

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company is exposed to interest rate risk through the impact of rate changes on interest-bearing liabilities and assets. The Company manages its interest rate risk by monitoring the movements in the market interest rates closely.

30 Significant Accounting Policies

This note provides a list of the significant accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

(A) Basis Of Preparation Of Financial Statement

The financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the "Act") [Companies (Indian Accounting Standards) Rules, 2014] and other relevant provisions of the Act.

The financial statements up to year ended March 31, 2017 were prepared in accordance with the accounting standards notified under Companies (Accounting Standard) Rules, 2006 (as amended) and other relevant provisions of the Act. These financial statements are the second financial statements of the Company under Ind AS. Refer Note on 'First Time Adoption of Ind AS' for an explanation of how the transition from previous GAAP to Ind AS has affected the Company's financial position, financial performance and cash flows which is separately presented in the annual report.

The financial statements were authorized for issue by the Company's Board of Directors on 27.05.2022. These financial statements are presented in Tousand Indian Rupees (INR), which is also the functional currency. All the amounts have been rounded off to the nearest thousand Rupee, unless otherwise indicated.

The Company follows the mercantile system of accounting and recognizes income and expenditure on an accrual basis. The financial statements are prepared under the historical cost convention, except in case of significant uncertainties and except for the following:

- (i) Investments are measured at fair value.

(B) Revenue Recognition

Revenue is measured at the fair value of the consideration received or receivable. Amounts disclosed as revenue are net of returns, trade discount taxes and amounts collected on behalf of third parties. The Company recognises revenue when the amount of revenue can be reliably measured and it is probable that future economic benefits will flow to the company. Interest Income is recognised in time proportionate method.

Notes to Financial Statements for the Year ended March 31, 2022**(I) Sales**

Domestic sales are recognised when significant risks and rewards are transferred to the buyer as per the contractual terms or on dispatch where such dispatch coincides with transfer of significant risks and rewards to the buyer.

(II) Other Income**(i) Interest Income**

Interest income on financial asset is recognised using the effective interest rate method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of the financial asset. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instruments.

(ii) Dividends

Dividends are recognised in profit or loss only when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the group, and the amount of the dividend can be measured reliably.

(C) Property, plant and equipment

On transition to Ind AS, The Company has elected to continue with the carrying value of all of its property, plant and equipment recognised as at 1 April, 2016 measured as per the previous GAAP and used those carrying value as the deemed cost of the property, plant and equipment.

(i) All items of property, plant and equipment are stated at historical cost less accumulated depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

(ii) Depreciation

(a) Fixed assets are stated at cost less accumulated depreciation.

(b) The depreciation on tangible fixed assets has been provided on the straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013.

(D) Cash And Cash Equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents include cash on hand, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

(E) Trade receivables

Trade receivables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method, less provision for impairment.

(F) Trade and other payables

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. They are recognised initially at their fair value and subsequently measured at amortised cost using the effective interest method.

(G) Borrowing Cost

(i) Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in profit or loss over the period of the borrowings using the effective interest method.

Notes to Financial Statements for the Year ended March 31, 2022

- (ii) Borrowings are classified as current financial liabilities unless the group has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period. Where there is a breach of a material provision of a long-term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the entity does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of the financial statements for issue, not to demand payment as a consequence of the breach.

(F) Investments

All equity investments are measured at fair value, with value changes recognised in Other Comprehensive Income.

(G) Segment Report

- (i) The company identifies primary segment based on the dominant source, nature of risks and returns and the internal organisation and management structure. The operating segments are the segments for which separate financial information is available and for which operating profit/loss amounts are evaluated regularly by the executive Management in deciding how to allocate resources and in assessing performance.
- (ii) The analysis of geographical segments is based on the areas in which major operating divisions of the Company operate.

(J) Earnings Per Share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Earnings considered in ascertaining the Company's earnings per share is the net profit for the period. The weighted average number of equity shares outstanding during the period and all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares, that have changed the number of equity shares outstanding, without a corresponding change in resources. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares, if any.

(H) Taxation

- (i) The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate for the jurisdiction adjusted by changes in deferred tax assets and liabilities attributable to temporary differences, to unused tax losses and unabsorbed depreciation.
- (ii) Provision for Income tax is made on the basis of the estimated taxable income for the current accounting period in accordance with the Income-tax Act, 1961 and Revised Income Computation and Disclosure Standards (ICDS) of the Income-tax Act, 1961.
- (iii) Deferred tax is provided using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled. The carrying amount of deferred tax assets is reviewed at each reporting date and adjusted to reflect changes in probability that sufficient taxable profits will be available to allow all or part of the asset to be recovered. Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses. Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority.

Notes to Financial Statements for the Year ended March 31, 2022

- (iv) Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In that case, the no tax has been recognised in the books of Accounts.

(I) Impairment of Assets

The Company assesses at each balance sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the management estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the assets belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the statement of profit and loss. If at the balance sheet date there is an indication that if a previously assessed impairment loss no longer exists, the recoverable amount is reassessed, and the asset is reflected at the recoverable amount subject to a maximum of depreciated historical cost.

(J) Provisions and Contingent Liabilities

The Company creates a provision when there is a present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

(K) Operating Cycle

Based on the nature of products/activities of the Company and the normal time between acquisition of assets and their realisation in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non current.

(L) Financial Instruments**(I) Financial Assets****(i) Initial recognition and measurement**

All financial assets and liabilities are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition. Purchase and sale of financial assets are recognised using trade date accounting.

(ii) Subsequent measurement

- (a) Financial assets carried at amortised cost (AC):** A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.
- (b) Financial assets at fair value through other comprehensive income (FVTOCI):** A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.
- (c) Financial assets at fair value through profit or loss (FVTPL):** A financial asset which is not classified in any of the above categories are measured at FVTPL.

Notes to Financial Statements for the Year ended March 31, 2022

(iii) Impairment of financial assets

In accordance with Ind AS 109, the Company uses 'Expected Credit Loss' (ECL) model, for evaluating impairment of financial assets other than those measured at fair value through profit and loss (FVTPL).

Expected credit losses are measured through a loss allowance at an amount equal to:

- (a) The 12-months expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months after the reporting date); or
- (b) Full lifetime expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument).

For trade receivables Company applies 'simplified approach' which requires expected lifetime losses to be recognised from initial recognition of the receivables. The Company uses historical default rates to determine impairment loss on the portfolio of trade receivables. At every reporting date these historical default rates are reviewed and changes in the forward looking estimates are analysed.

For other assets, the Company uses 12 month ECL to provide for impairment loss where there is no significant increase in credit risk. If there is significant increase in credit risk full lifetime ECL is used.

(II) Financial Liabilities

(i) Initial recognition and measurement

All financial liabilities are recognized at fair value and in case of loans, net of directly attributable cost. Fees of recurring nature are directly recognised in the Statement of Profit and Loss as finance cost.

(ii) Subsequent measurement

Financial liabilities are carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.
